Subject: NEW LITIGATION -- TSCA [Hazelton Creek Properties v EPA (3rd Circ. No. 18-3665)]

On December 5, Hazelton Creek Properties, located in Moosic, PA, filed a petition for review under TSCA section 19(a) in the US Court of Appeals for the Third Circuit challenging a Notice of Noncompliance (NON) issued by EPA Region 3. The NON asserts that placement of PCB materials on the site property at levels over 2 ppm, in compliance with a Pennsylvania State permit and Pennsylvania policy, constitutes a violation of the EPA TSCA PCB regulations, and cautions that further receipt by the company of such materials may result in EPA enforcement. The Notice states that “No corrective action is necessary by your company at this time”.

We will contact DOJ to have an attorney assigned and work with Region 3 ORC on this. Please let us know if you have any questions.
